National Concierge Association Celebrates 10 Years of World Class Networking!

Minneapolis, Minnesota, April 2, 2008. The National Concierge Association (NCA) today announced that 2008 marks ten years as the most unique Concierge networking organization in the world.

"I am pleased to announce that 2008 is a milestone for the organization, marking ten years of steadily growing the National Concierge Association to it's current status as a world-class network of Concierges of all types and a vast variety of affiliated businesses," stated NCA Founder and President, Sara-ann Kasner.

Plans call for a special black-tie gala anniversary celebration at the 10th annual educational NCA conference to be on August 11-13, 2008 at the Gaylord Opryland Resort and Convention Center in Nashville, Tennessee.

The National Concierge Association (NCA) is an international non-profit organization for Concierges of all types and affiliated hospitality industry businesses.

To register for the upcoming NCA conference or more information about the organization:
